The driving force behind our success is simple; we consistently anticipate the needs of our respective industries by listening and acting on our customers' suggestions. We surpass customer and consumer expectations by by maintaining a passionate commitment to excellence and fostering a spirit of innovation. Additionally, we offer a wide selection of art materials, art activities and accessories.

As a family-owned and operated company our reputation has been built on integrity, quality and innovation. Our products are carefully conceived and designed to meet and exceed the needs of the market while increasing your profitability and amplifying your sales. We go above and beyond to assure that customer orders are processed with the highest fill rates and reliable on-time deliveries. We achieve this by maintaining an international infrastructure which facilitates an unparalleled ability to deliver on-time and on-target.
